Join Federal Grantee clusters, organizations and networks that work to prevent child abuse and neglect in the US, parents, leaders, policy makers, funders, services delivery professionals, and researchers as representatives of each organization and network, for the

Preventing Child Maltreatment and Promoting Well-Being: Network for Action

Purpose

- Spark and support national action to prevent child abuse and neglect.
- Initiate nation-wide action in preparation for the OCAN National Conference on Child Abuse and Neglect and the Children's Bureau Centennial Celebration in 2012

Objectives

- **Shared vision:** Increase coherence of shared vision for prevention of child abuse and neglect across the network of networks
- **Shared action:** Move toward shared action to make the network vision a reality
- **Stronger networks:** Establish stronger foundations for meaningful collaboration
