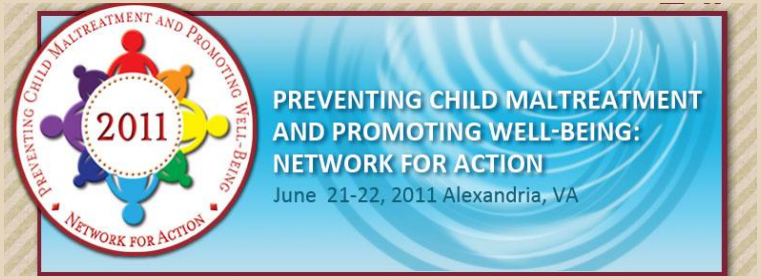
CBCAP Leads Orientation

http://www.friendsnrc.org/network-for-action

April 13, 2011

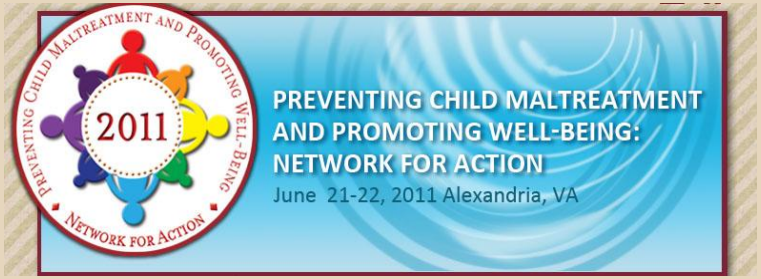
Purpose

Engage a network of networks to spark and support national action to prevent child maltreatment and promote well-being.



Objectives

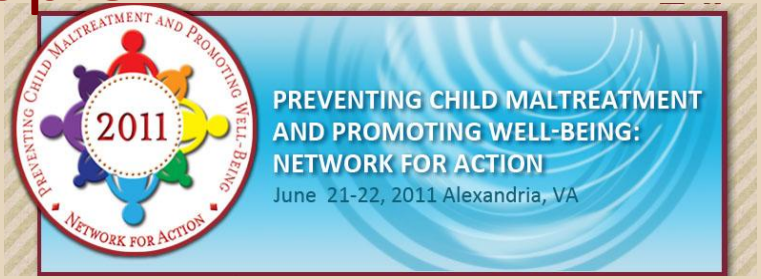
- Shared vision: Increase coherence of shared vision for prevention of child maltreatment and promotion of well-being across the network of networks
- Shared action: Move toward shared action to make the network vision a reality
- Stronger networks: Establish stronger foundations for meaningful collaboration



Who will be there?

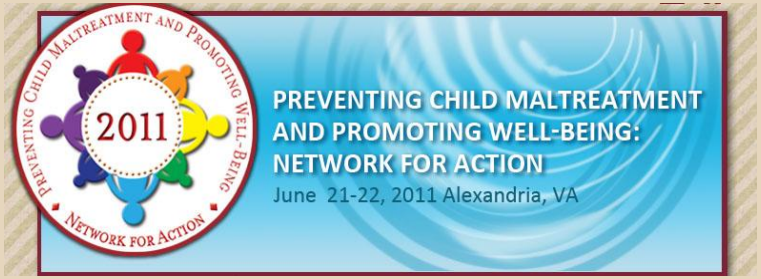
- Federal grantee clusters

  CBCAP, EBHV, QIC-EC, NHV, REECAP, CJA, SLO
- Organizations and networks that work to prevent child maltreatment or support well-being
- Parents, leaders, policy makers, funders, services delivery professionals, researchers
- Approximately 250 -450 people



Shared Vision

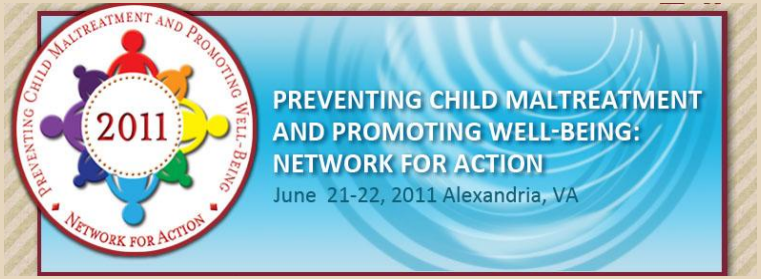
- Attendees share their visions via email prior to the meeting (in discussion)
- Each plenary session will include discussions about the emerging vision and review of drafts
- Vision Committee will take input and revise between sessions
- In the final plenary, we will share and commit to a common vision



Shared Action

Strategic Projects:

- Engage participants in shared action
- Have national significance
- Support community or system-wide change
- Engage multiple organizations across the network
- Produce authentic work product
- Prepare for OCAN Centennial



Strengthen Networks

- State Teams meet two times
- Four possible meeting designs—you choose:
  - Building a State Network
  - Getting to Know You
  - Working Together
  - Sustaining Results
- Meeting guide provides info and support
