Individuals reached via public awareness campaigns and education activities:

45,502,093

CBCAP State Lead Agency Type

Public Agency

Children's Trust Fund

Quasi or Non-Profit

The CBCAP State Lead Agency is designated each year by the Governor. CBCAP Lead Agencies are diverse, and many are located within a larger system such as a Child Welfare Agency, Department of Public Health, Department of Early Childhood, or the SLA is a stand-alone state agency or non-profit organization. Many CBCAP Lead Agencies are Children's Trust Funds and Prevent Child Abuse America chapters.

Effective Collaborations

The CBCAP program supports the development of a continuum of preventive services for children and families through state and community-based collaborations and public-private partnerships. CBCAP had effective collaborations with:

Strengthening Families

Early Head Start

Substance Use Disorder Providers

Business Community

Outreach for Special Populations

CBCAP Lead Agencies fund community-based and prevention focused programs and services that provide outreach activities to members of underserved and underrepresented groups. CBCAP Lead Agencies reported outreach to the following groups:

Racial and Ethnic Minorities

Children and Adults with Disabilities

Homeless Families/ At-Risk Homelessness

CBCAP programs provide services in:

- Community outreach and referrals
- Family resource programs
- Family support programs
- Parenting education/skills
- Parent mutual support/self-help
- Respite care programs/crisis care
- Voluntary home visiting
