The Fatherhood Coalition Network is celebrating Father's Day by offering a free book for fathers!

In June 2023, Fathers can receive one of two books, by authors Khalid White and Isela Garcia White: Hermanito (Little Brother) and Hermanita (Little Sister). The books revolve around an Afro-Latinx family with three children and encourages siblings and parents to work together and love each other in an environment filled with positive imagery. Each book is written in dual language (English & Spanish) for bilingual families and dual language learners. Reserve a copy for the fathers in your program while supplies last!

Listen to Author Khalid White talk about these books and the importance of fathers reading to their children on Zoom on May 31, 2023 at 11:00 a.m.
