Parent Education
The Goal: more positive in your days.
Self-regulation

Principle of parent self-regulation

- Parental Self-regulation
  - Self-management
  - Goal setting
  - Self-efficacy
  - Personal agency
  - Problem solving
  - Self-sufficiency

Reduced need for support

Minimally Sufficient Intervention
More than 35 years of ongoing research

One of the most effective evidence-based parenting programs in the world.

Translated into 21 languages.

Has been shown to work across cultures, socio-economic groups and in different kinds of family structures.
The CDC funded a trial in South Carolina introducing Triple P into 9 counties and comparing outcomes with 9 similar counties with care as usual. The results for the Triple P counties:

- Fewer injury-related ER visits
- Fewer out of home placements
- Fewer (slower growth) of substantiated cases of maltreatment

Equipping Parents = Thriving Communities
What is DAISEY?

DAISEY is a shared measurement system designed by social scientists to help communities see the difference they are making in the lives of children, youth, and families.
Why Invest in data system?

1. Makes reporting easier
2. Fidelity monitoring
3. Tracking implementation
4. Tracking outcomes
5. Statewide data on prevention efforts
