OKLAHOMA
Family Support
NETWORK

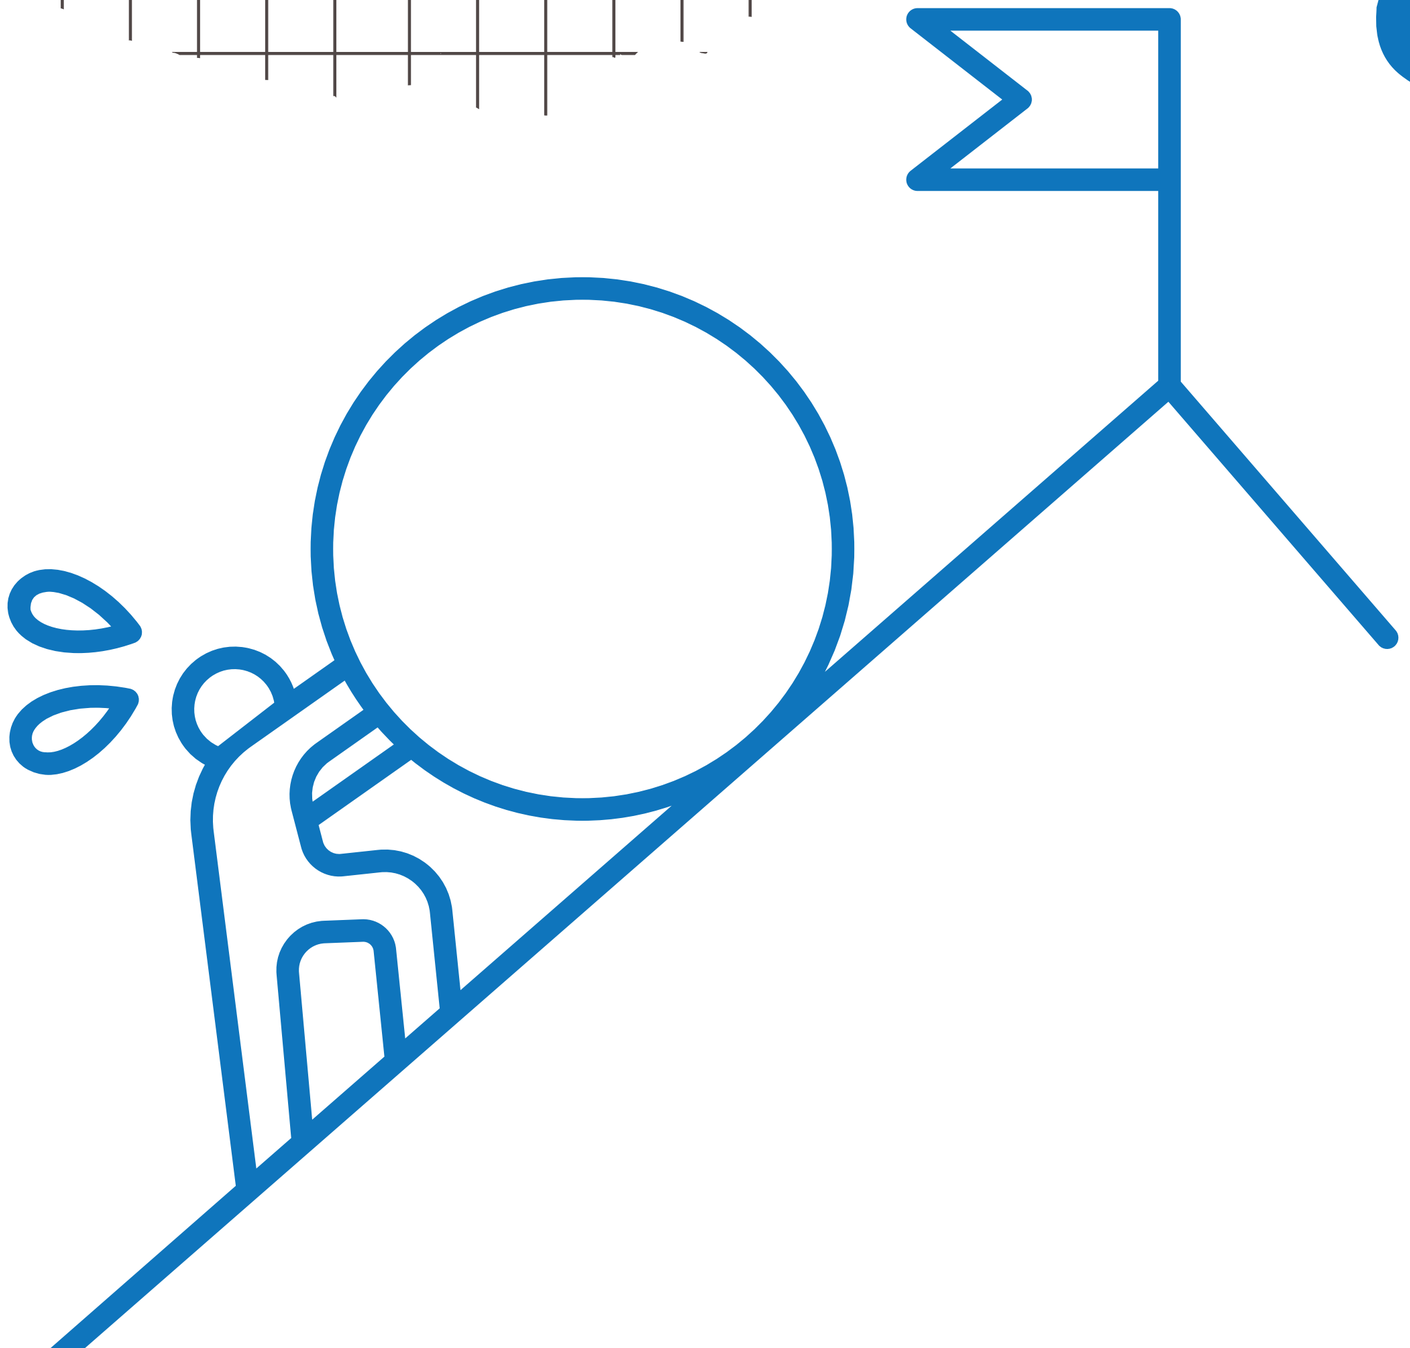
SUCCESSES



CHALLENGES

RFP

STAGE 1

Townhalls and roll out of the Family Resource Centers

STAGE 2

RFP Creation, responses gathered, and contracts awarded

STAGE 3

6 months of planning, preparation, and community surveying

STAGE 4

Implementation of the work plans and contract renewals

CONTRACT

COMMUNITY

PARELLEL PROCESS

OSDH

- Individualized Technical Assistance
- Work Plans meet contract requirements with elements specific to communities
- Communities of Practice Implemented for the Network

FRC's

- Individualized resources, support and case management provided
- Community relevant support
- Peer support and mentoring opportunities for staff

Families

- Received services specific to their needs
- Services that address multiple levels of needs
- Family had resources for peer support and social connections

	Explore	Assess	Develop	Operationalize
Suggested Steps	• Identify stakeholders to engage in initial planning • Determine who will coordinate initial efforts (organization and person) and define roles • Review materials about Family Resource Centers (FRCs) and Networks • Participate in webinars about FRCs and Networks • Review Collective Impact Framework • Host a NFSN presentation for key stakeholders to understand the national lay of the land and discuss resonance with the state • Participate in NFSN Forum • Visit FRCs, Network leaders, and Network funders	• Develop survey to identify existing programs • Disseminate and conduct survey to identify FRCs, determine their interest in forming a Network, and in being trained on the Standards of Quality • Analyze survey results to inform planning	• Convene initial Network meeting(s) • Develop vision, mission, and goals • Identify initial staffing and budget • Develop operating guidelines • Determine leadership • Join the NFSN as a Member Network • Participate in NFSN monthly Member Meetings and annual Member Convening • Connect with peer Networks • Participate in annual in-person Member Convening	• Conduct regular Network meetings • Conduct initial Network activities, such as training on the Standards of Quality for Family Strengthening & Support, peer sharing, working on policy/advocacy • Advance Network goals • Review and refine processes and systems as needed
NFSN Resources	• Documents and research about FRCs and Networks • Webinars about FRCs and Networks • Overview Presentation and discussion facilitation of initial discussion • Annual NFSN Forum • Coordinated site visits to FRCs, Networks, and their funders • Consultation and technical assistance	• Sample FRC identification surveys • Information about FRCs, Networks, and the Standards that can be linked to from the survey • Consultation and technical assistance	• Sample Network operating guidelines • Sample Network job descriptions • Presentations for and facilitation of Network meetings • Consultation and technical assistance • NFSN Membership	• Standards of Quality Training Program • Develop and Sustaining Effective Parent Advisory Committees Training • Consultation and technical assistance related to Network activities
